

Policy AC-104

Comment Period for New or Revised Standards of Accreditation

Purpose:

To outline the process by which interested parties may comment on proposed new or revised Pennsylvania Trauma Systems Foundation (PTSF) “Standards of Accreditation” that exceed the minimum ACS guidelines mandated by Act 45.

Procedure:

1. Proposed new and/or revised standards will be made available to Stakeholders for review/comment via the PTSF Board Update.
2. The comment period shall not exceed 30 days.
3. All comments should be submitted to the PTSF Standards Committee Staff Liaison via formal email.
4. Comments concerning the new or revised standards will be reviewed and considered by the PTSF Standards Committee before making final recommendations to the PTSF Board of Directors.

Approved by PTSF Board of Directors and/or Executive Committee:
