

PTSF Employment Opportunity Manager of Accreditation

The Pennsylvania Trauma Systems Foundation (PTSF) is seeking an exceptional registered nurse to join our team as Manager of Accreditation. This role offers a unique opportunity to influence trauma care across Pennsylvania and contribute to our national leadership in trauma systems development.

About the Role

As Manager of Accreditation, you will drive excellence through:

- Facilitating comprehensive trauma center accreditation processes
- Collaborating with expert surveyors and multidisciplinary teams
- Participating in site survey reviews that ensure quality trauma care
- Supporting PTSF committees in advancing trauma standards

Ideal Candidate

We're looking for a talented professional who brings:

- Outstanding written and verbal communication abilities
- Meticulous attention to regulatory detail
- Commitment to improving trauma patient outcomes
- Willingness to travel for impactful on-site evaluations

Flexible Work Environment

- Remote work opportunities when not engaged in site visits
- Option to work 8- or 10-hour days
- Pennsylvania residency is strongly preferred due to in-person commitments

Comprehensive Benefits Package

- Competitive Salary range: \$95,000 - \$130,000
- Telecommuting and flexible scheduling options
- Generous paid time off
- Complete health, vision, dental, life, and long-term disability options
- Wellness programs and a commitment to work-life balance
- Employer- funded 401(k) retirement plan (no matching required)
- Professional growth through tuition reimbursement, memberships, and conference participation

Our Impact

Since 1985, when PTSF was created as part of the EMS Act, we have optimized trauma patient care in Pennsylvania through the accreditation of hospitals as trauma centers. Today our network includes more than 50 trauma centers across four accreditation levels, with continued growth as more hospitals pursue trauma center status.

Join us in advancing trauma care excellence across Pennsylvania and beyond.
