The Pennsylvania Trauma Systems Foundation (PTSF) is a nonprofit corporation recognized under the Emergency Medical Services Act (Act 1985.45) and serves as the accrediting body for trauma centers throughout Pennsylvania.

A trauma center is a hospital capable of providing continuous specialized services and resources to patients suffering from traumatic injuries. Appropriate treatment by specially trained staff has been shown to reduce the likelihood of death and permanent disability.

In Pennsylvania, there are four levels of trauma centers. Learn more at: [What is a Trauma Center?](#)
